RE: Annual Report FY 2005, July 1, 2004 – June 30, 2005

It is a pleasure to submit the Fiscal Year 2005 South Dakota Arts Council Annual Report to the Governor and Legislature. The State Arts Council's FY 2005 co-sponsored activities reached an audience of 2.4 million people (a 12% increase over FY 2004), with 13,422 artists participating in 10,120 separate events. The 572 grants awarded were supported with funds from the State of South Dakota and the National Endowment for the Arts, a federal agency. Fiscal Year 2005 grant funds of \$950,000 generated \$11 million in local cash matching funds. These statistics demonstrate that South Dakotans enjoy participating in the arts.

The mission of the South Dakota Arts Council, a state agency within the Department of Tourism and State Development, is to make quality arts programs accessible throughout the state. We accomplish our mission by providing funding, services and information to artists, arts organizations, other non-profit groups, schools and the public. The State Arts Council strives to ensure access to the arts and educational arts opportunities as part of life-long learning in South Dakota.

As you browse through this annual report, we are confident that you will discover the diverse impact South Dakota Arts Council support has on our state's quality of life and education for both young people and adults. The activities in this annual report enhance South Dakota's economic development and cultural tourism. With your future support, we will continue to advance the arts throughout the state.

Your funding of the arts in South Dakota is truly appreciated. Thank you!

LONG RANGE GOALS

GOAL 1

ENHANCE QUALITY OF LIFE AND ECONOMIC DEVELOPMENT THROUGH THE ARTS.

The arts can inspire creativity, celebrate traditions, help reconcile differences, provide recreation, enhance tourism and contribute to the economic and social development of whole communities. The Arts Council encourages and supports the efforts of South Dakota artists and arts organizations to enhance community livability.

GOAL 2

PROMOTE PUBLIC AWARENESS AND SUPPORT OF THE ARTS.

The Council believes greater awareness of the arts influences sustained support. In the public's interest, programs and services of the Arts Council are designed to inform and educate people about the value of the arts for the well-being of South Dakotans.

GOAL 3

ADVANCE THE ARTS AS ESSENTIAL TO EDUCATION AND LIFE-LONG LEARNING.

Understanding the arts as basic to a good education, the Arts Council seeks to integrate the arts in education by supporting planning, curriculum development and teacher training. All children should experience the arts in their school, consistent with established state fine arts content standards. In addition, the arts should be an integral part of life-long learning.

GOAL 4

STRENGTHEN ARTS ORGANIZATIONS.

South Dakota needs strong and effective cultural organizations to connect the people and communities of the state with artists and arts program. The Arts Council provides funds, information and services to encourage both large and small organizations to strive for excellence and further South Dakota Arts Council goals. Together with South Dakota artists, these organizations contribute to their communities.

GOAL 5

ENCOURAGE AND SUPPORT ARTISTS.

Recognizing that artists are central to the creative environment of South Dakota, the Council provides funding, information and services to artists for their artistic and professional growth. The Council values artists of all disciplines and cultures, amateur and professional, rural urban, those who innovate and those who maintain the traditional arts.

GOAL 6

ENSURE ACCESSIBILITY TO THE ARTS.

The Council seeks to minimize and eliminate barriers to the arts imposed by economic status, education, prejudice, distance or special needs. In all Council-funded programs and services, accessibility for every South Dakotan is paramount.

ART FOR STATE BUILDINGS FUND, STATUTE 1.22.11

REPORT TO THE LEGISLATURE

The Statute was amended by the Legislature in 2005 taking out the 1% construction or renovation clause for State buildings. During 2005, the South Dakota Arts Council and its partner agency, South Dakotans for the Arts, met with the State Engineers Office to explore future potential for art in State buildings following the amended law. SD Arts Council and South Dakotans for the Arts directors are in the process of meeting with University of South Dakota staff on future public art projects at the USD campus. An FY 2007 request for a State appropriation of \$20,000 to the Art For State Buildings Fund was sent to the Department of Tourism and State Development. The funds were earmarked for art work in State conference rooms that are used by the public. The request, however, was not forwarded as part of the Department's FY 2007 budget request.
